

# PLANNING FOR THE FUTURE WHAT'S IMPORTANT TO YOU?

## Public consultation & engagement events this autumn

Join the  
discussion

We are consulting on a wide variety of topics for public consultation and we have set up a series of events where you can find out more. These events relate to the future development in Broadland and will therefore be of interest to local communities. All of the events will be staffed by Broadland officers and we look forward to meeting you and hearing your views.

### Workshop sessions

#### Making sense of planning in the area

We will also run three workshop sessions that will provide an opportunity for people to learn about planning for future development in the area to the north east of Norwich, referred to as the Growth Triangle.

**Rackheath** - Holy Trinity Church Hall
