Directions
This tour of beautiful Broadland will take you through attractive villages and picturesque countryside. It is suitable only by bicycle or on foot as some of the small tracks and lanes are not open to vehicles. The tour also covers some of the slightly hilly areas which may not be suitable for the less fit. There are many interesting churches and other attractions on the way which are well worth a visit. Although the tour begins in Taverham it is designed so that it can be joined at any point.

From the Norwich outer Ring Road take the Reepham Road north west of the city. After 4 ½ miles turn left signed Taverham into Fir Covert Road. Immediately on the right is a car park and this is where the tour begins.

1. From the car park turn left and left again along the Reepham Road toward Attlebridge from about a mile.
2. Take the left signed Attlebridge. Go over the railway bridge, crossing the Marriott’s Way long distance path. Follow the road downhill into Attlebridge.
3. Take the lane opposite the church and go over two bridges crossing the river Wensum.
4. Follow the path to the right and continue straight ahead into Morton-on-the-Hill.
5. At the main road go almost straight ahead into Marl Hill. Follow the road uphill for about a mile into the parish of Weston Longville.
6. Turn left in front of the church onto Ringland Lane and then right following Ringland Lane. Continue along this pretty lane for about 1½ miles into the parish of Ringland. As you come into the village the parish Church of St Peter is on the right.
7. At the crossroads turn right and then immediately left, signed Honingham. Follow this road through fields and into a wooded area.
8. At the next crossroads turn left, signed Easton. Stay on this road for almost a mile enjoying the picturesque views of the surrounding countryside. At the end of the road turn left.
9. At the end of this road turn left again. This road takes you back into Ringland and over the river Wensum.
10. Follow the road uphill passing the entrance to Taverham Hall School on the right. Stay on this road going uphill and down with the Hall School grounds on the right.
11. At the mini roundabout, the Taverham parish Church of St Edmund is on the right. Turn left into Sandy Lane signed Felthorpe and at its end turn left.
