

Marriott's Way 10k Race 2019 Corporate challenge

The Marriott's Way 10k corporate challenge aims to build team spirit and promote a healthy workforce. Join with 3 colleagues and the team with the lowest overall time wins.

10k is a popular challenge for runners. Workmates can train together and encourage each other to reach their personal bests. It also means that colleagues of varying running ability and fitness can take part. The overall time of the 4 runners will be put forward towards the Marriott's Way 10k corporate challenge rankings. If you prefer a team approach to sport, then this is the challenge for you and your colleagues. Push your team mates, push yourself and meet our 10K corporate challenge.

Prizes will be awarded so why not challenge your business associates or another department to take part?

All team members must have already individually entered the Marriott's Way 10k. Simply complete the corporate challenge entry form and email it to sport@broadland.gov.uk
